

# Start connecting today— with Georgia Relay

## The convenient, easy-to-use telecommunications system for Georgians who are deaf, hard of hearing, deaf-blind or have difficulty speaking!

Available 24 hours a day, seven days a week, Georgia Relay is a FREE public service that connects people who are deaf, hard of hearing, deaf-blind or have difficulty speaking, who may use a TTY (text telephone) or other assistive phone device, with people who use standard telephones, relaying the conversation between both parties. Users pay no setup charges or fees for local calls, and there's no limit on the length or number of calls you may place or receive.

Anyone may initiate a Georgia Relay call, simply by dialing 7-1-1.

### Georgia Relay features:

- **TTY** – allows people who are deaf or hard of hearing to type their messages and read the other person's responses
- **Voice Carry-Over** – for people who are hard of hearing and speak clearly
- **Hearing Carry-Over** – for people who can hear and have difficulty speaking
- **Speech-To-Speech** – for people who have difficulty speaking or being understood on the phone
- **Captioned Telephone (CapTel®)** – for people who have difficulty hearing; allows users to listen while reading captions of what is said to them throughout their conversation
- **Voice** – allows standard phone users to communicate with people who are deaf, hard of hearing, deaf-blind or have difficulty speaking
- **Spanish Relay** – all services are available in Spanish
